

PROTECT THE LARGEST ORGAN YOU HAVE...

YOUR SKIN!

One of the most dangerous environments we expose our skin to is in the laboratory. We all try our best to be safe, but sometimes we all need a little extra help. That's why we're supplying these great convenient products. Both kill pathogens quickly and help prevent cross contamination by hand contact.

SANI-DEX Antimicrobial Hand Wipes

Hands dry in 3-5 seconds

Formulated with Aloe to help prevent dry skin

Dispensing tub great for centralized cleaning stations

135 wipes per tub

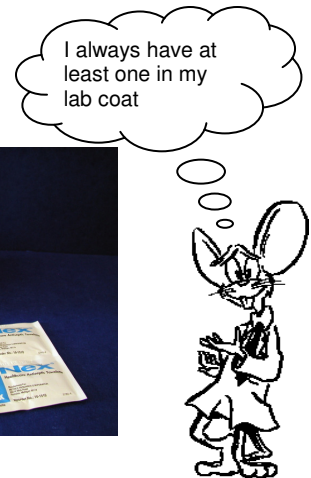

Vionex Antimicrobial Skin Wipe Towelette

Non-irritating formula

Contains skin conditioners and cleaners

Individually pouched towelettes - Can always be with you!

50 towelettes per box
