

Dyes to Dye For!

These dyes are great, but all it really takes is a quick call to let us know which ones you need!
Whatever your style or preference for marking, we got ya covered

Traditionalist

You like your coffee black

Prefer the newspaper to the internet for getting your daily news

Use a stick to dip into the dye and mark your tissue

New Age

Use flavored creamers in your Java

Have news websites bookmarked in your internet browser

Would love to try the finger dispensers to mark your tissue

STILL NOT SURE OF WHICH GROUP YOU FALL INTO?

While you're trying to figure it out, give us a call and we'll happily send you out a sample of the dye so that you can test the incredible quality!
